MedPlant latest news

Please welcome the first MedPlant newsletter! We expect to send it out 10 times a year. Please remember to send any news/info/publications/conferences that should be on the website or in future newsletters to mette.wenoe@snm.ku.dk.

The short introductory film about MedPlant that was produced during the Kick-off meeting is posted at the web-site. www.medplant.eu.

The photos of the Fellows and Associated Partners from Kick-off is on the way and will be implemented at medplant.eu as soon as possible.

Dr. Willmar Schwabe have requested to become associated partner instead of full partner and EU has now approved that the ER2 position consequently gets transferred to Jüerg Gertsch lab the University of Bern. We expect to have the ER2 candidate hired by end of summer.

The planning of the 3rd MedPlant Supervisory Board meeting and the 1st MedPlant Summerschool in Morocco in September is well under way and you can look forward to very exiting program and venues.

MedPlant students Madeleine Ernst and Natalie Iwanycki, University of Copenhagen, will present their projects to the public during the annual Open Day of the Botanical Garden in Copenhagen June 1st.

MedPlant students Vincent Manzanilla, University of Oslo, and Karen Martinez, University of Copenhagen, conduct their first fieldwok in Morocco in may.

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 606895.
